

As I am sure you will appreciate, I had sought to clarify matters re: engagement for all volunteers and have the following:

WHSC Breakfast Program – Volunteer Protocols

We value the contribution of our volunteers to the School Breakfast Program, which exists solely to support the wellbeing of our students by providing them with a nutritious start to the day. To ensure the program remains focused, inclusive, and in line with our school's values, all volunteers are expected to follow the protocols below:

Purpose

- The sole purpose of the School Breakfast Program is to provide breakfast to students in a safe, respectful, and welcoming environment

Volunteer Conduct and Guidelines

- 1 No promotions or endorsements:
 - Volunteers must not promote or advertise any businesses, companies, political parties, religious affiliations or personal agendas
 - This includes the wearing of clothing with any logos, slogans, signage, or flyers
- 2 No unauthorised photography or social media posts:
 - Photographs or videos taken at breakfast programs must not be posted to any social media without prior approval from a member of the school leadership team
 - This protects the privacy and dignity of our students and our college reputation
- 3 Volunteer requirements:
All volunteers must:
 - Hold a valid Blue Card and have this sighted and checked by administration on arrival
 - Have completed MAST (Mandatory All Staff Training)
 - Sign in at the main office upon arrival each time they are on site

Commitment to Students

- The focus must remain on creating a positive and supportive space for students to begin their day with nourishment and connection

Importantly, we thank all volunteers for upholding these protocols and helping us maintain a respectful and student-centred program

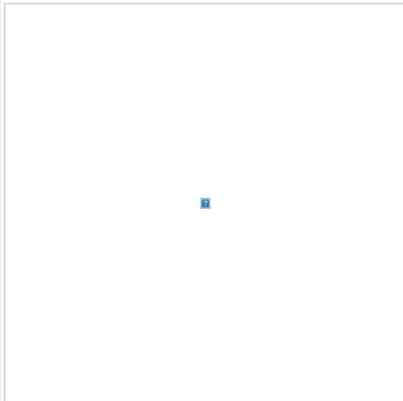

If your team of volunteers are still able, we would be welcoming of the recommencement from Tuesday 26 August (week 7 term 3)

Kind regards,

Richenda

Thank you very much for your time to speak further yesterday and thank you and the team for your ongoing support of the breakfast program and the generous contributions from all involved

I've been giving the breakfast program some careful thought, and I've decided to pause it temporarily while I review and refine the necessary protocols and procedures to ensure it operates smoothly and sustainably for all involved. I appreciate your understanding as we take this time to put the right structures in place.

I'll be in touch with further updates once we are ready to resume.

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Dear Richenda § 47(3) Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with that?

§ 47(3) and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let § 47(3) and I know!

I'll keep you updated

Many thanks

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST – attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (ie purchase bread, baked beans etc through the school canteen) – our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- **§ 47** need in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pit?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Dear Richenda, **s 47** Jolene and Mary-Anne

To update, this week local Greens volunteers are organised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

s 47 and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let **s 47** and I know!

I'll keep you updated

Many thanks

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) – our biggest difficulty is sourcing the volunteers

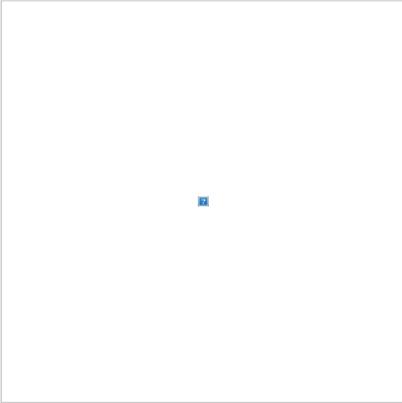

Happy to continue the conversation

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- S 47(3)(b) - Contrary to Public Interest - I would like to see this continue, and am aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear [REDACTED]

Thank you for your ongoing support and understanding whilst we have been working through aspects of the Tuesday breakfast program

As I am sure you will appreciate, I had sought to clarify matters re: engagement for all volunteers and have the following:

WHSC Breakfast Program – Volunteer Protocols

We value the contribution of our volunteers to the School Breakfast Program, which exists solely to support the wellbeing of our students by providing them with a nutritious start to the day. To ensure the program remains focused, inclusive, and in line with our school's values, all volunteers are expected to follow the protocols below:

Purpose

- The sole purpose of the School Breakfast Program is to provide breakfast to students in a safe, respectful, and welcoming environment

Volunteer Conduct and Guidelines

- No promotions or endorsements:
 - Volunteers must not promote or advertise any businesses, companies, political parties, religious affiliations or personal agendas
 - This includes the wearing of clothing with any logos/logos, signage, or flyers
- No unauthorised photography or social media posts:
 - Photographs or videos taken at breakfast programs must not be posted to any social media without prior approval from a member of the school leadership team
 - This protects the privacy and dignity of our students and our college reputation
- Volunteer requirements:
All volunteers must:
 - Hold a valid Blue Card and have this sighted and checked by administration on arrival
 - Have completed MAST (Mandatory All Staff Training)
 - Sign in at the main office upon arrival each time they are on site

Commitment to Students

- The focus must remain on creating a positive and supportive space for students to begin their day with nourishment and connection

Importantly, we thank all volunteers for upholding these protocols and helping us maintain a respectful and student-centred program

If your team of volunteers are still able, we would be welcoming of the recommencement from Tuesday 26 August (week 7 term 3)

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped

I have today been made aware that the breakfast program here is being used as a political platform

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party.

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic one. I ask that Greens t-shirts are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further.

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda **§ 47** Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

s 47 and I will be handling logistics and hope to source bread and other items locally, and low and no cost The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project But still very useful to know the tuckshop supplies can be purchased if we are ever caught short

Jolene and Mary-Anne were there ways you wanted to get involved? Let s 47 and I know!

I'll keep you updated

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST – attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able use to contribute to the food (i.e purchase bread, baked beans etc through the school canteen) – our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Thanks once again

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- s 47/6 ceed in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pit?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear [REDACTED]

Thank you for your ongoing support and understanding whilst we have been working through aspects of the Tuesday breakfast program

As I am sure you will appreciate, I had sought to clarify matters re: engagement for all volunteers and have the following:

WISC Breakfast Program – Volunteer Protocols

We value the contribution of our volunteers to the School Breakfast Program, which exists solely to support the wellbeing of our students by providing them with a nutritious start to the day. To ensure the program remains focused, inclusive, and in line with our school's values, all volunteers are expected to follow the protocols below:

Purpose

- The sole purpose of the School Breakfast Program is to provide breakfast to students in a safe, respectful, and welcoming environment

Volunteer Conduct and Guidelines

1. No promotions or endorsements:
 - Volunteers must not promote or advertise any businesses, companies, political parties, religious affiliations or personal agendas
 - This includes the wearing of clothing with any logos/logos, signage, or flyers
2. No unauthorised photography or social media posts:
 - Photographs or videos taken at breakfast programs must not be posted to any social media without prior approval from a member of the school leadership team
 - This protects the privacy and dignity of our students and our college reputation
3. Volunteer requirements:
All volunteers must:
 - Hold a valid Blue Card and have this sighted and checked by administration on arrival
 - Have completed MAST (Mandatory All Staff Training)
 - Sign in at the main office upon arrival each time they are on site

Commitment to Students

- The focus must remain on creating a positive and supportive space for students to begin their day with nourishment and connection

Importantly, we thank all volunteers for upholding these protocols and helping us maintain a respectful and student-centred program

If your team of volunteers are still able, we would be welcoming of the commencement from Tuesday 26 August (week 7 term 3)

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped

I have today been made aware that the breakfast program here is being used as a political platform

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party

I now ask that volunteers, whilst volunteering at WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further

Dear Richenda and team

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler-Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda, § 47(3) Jolene and Mary-Anne

To update, this week local Greens volunteers are organised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

§ 47(3) and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let § 47(3) and I know!

I'll keep you updated

Many thanks

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST – attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) – our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- **§ 47** need in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Hi Everyone,

I have spoken with Luisa who is the Grants Officer and Community Organiser for Max Chandler Mather about our breakfast program. She was very understanding of our circumstances and that we cannot run the event whilst the government is in caretaker mode.

We have made the decision that the program will resume in Week 4 on Tuesday 13 May. This will be after the election and will of course need to consider the results of the election. Luisa and I will discuss the breakfast as the time gets closer.

Katrina has also put a Facebook post stating the first breakfast will be on Tuesday 13 May. This will give our community some notice that there will not be a breakfast in the first 3 weeks.

Can you please remind the sub school communities over the coming weeks?

Have a great holiday!!!!

Dear [REDACTED]

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped.

I have today been made aware that the breakfast program here is being used as a political platform.

This has of course placed both myself and our collage in an untenable position. We are not to be seen to be advocating for a person or a party.

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further.

Kind regards,

Richenda

13 July 2025

Dear Mr. Kelly,

Your Assistance to Continue the Whites Hill State College Free School Breakfast Program

You will be aware that the Tuesday morning Free School Breakfast Program, previously funded and delivered by Max Chandler-Mather, former Federal MP for Griffith, came to a close on 13 May 2025. We were saddened by its conclusion, and the children in our school community are already feeling the absence of this important service.

At Whites Hill State College, we take great pride in our school and in the potential of every child. The Breakfast Program has been more than just a nourishing universal meal, it has been a social equalizer, and for some students, the only meal they receive before a full day of learning. We believe the means-tested model introduced by the State Government does not adequately serve our community due to the stigma and shame it can create.

With hope and commitment to the future of our children, we are reaching out to ask for your assistance in reinstating the program in its previous inclusive format, or to discuss other ideas and solutions for school-based meal initiatives.

We would greatly appreciate the opportunity to meet with you in person to explore how you and your teams might be able to support or partner with us on this important work.

Thank you for considering our request. This letter has been prepared on behalf of the Whites Hill State College Parents & Citizens Association and reflects the views of our broader school community. It was circulated to Members following the General Meeting held on 4 June 2025 and formally endorsed thereafter.

Yours sincerely,

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped.

I have today been made aware that the breakfast program here is being used as a political platform.

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party.

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further.

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names) Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work Let me know if you would be ok with this?

s 47(3) and I will be handling logistics and hope to source bread and other items locally, and low and no cost The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project But still very useful to know the tuckshop supplies can be purchased if we are ever caught short

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- s 47(3) need in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal.
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Dear § 47(3)(b)

Thank you for your ongoing support and understanding whilst we have been working through aspects of the Tuesday breakfast program

As I am sure you will appreciate, I had sought to clarify matters re: engagement for all volunteers and have the following:

WHISC Breakfast Program - Volunteer Protocols

We value the contribution of our volunteers to the School Breakfast Program, which exists solely to support the wellbeing of our students by providing them with a nutritious start to the day. To ensure the program remains focused, inclusive, and in line with our school's values, all volunteers are expected to follow the protocols below:

Purpose

- The sole purpose of the School Breakfast Program is to provide breakfast to students in a safe, respectful, and welcoming environment

Volunteer Conduct and Guidelines

- 1 No promotions or endorsements:
 - Volunteers must not promote or advertise any businesses, companies, political parties, religious affiliations or personal agendas
 - This includes the wearing of clothing with any logos/logos, signage, or flyers
- 2 No unauthorised photography or social media posts:
 - Photographs or videos taken at breakfast programs must not be posted to any social media without prior approval from a member of the school leadership team
 - This protects the privacy and dignity of our students and our college reputation
- 3 Volunteer requirements:
 - All volunteers must:
 - Hold a valid Blue Card and have this sighted and checked by administration on arrival
 - Have completed MAST (Mandatory All Staff Training)
 - Sign in at the main office upon arrival each time they are on site

Commitment to Students

- The focus must remain on creating a positive and supportive space for students to begin their day with nourishment and connection

Importantly, we thank all volunteers for upholding these protocols and helping us maintain a respectful and student-centred program

If your team of volunteers are still able, we would be welcoming of the recommencement from Tuesday 26 August (week 7 term 3)

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped

I have today been made aware that the breakfast program here is being used as a political platform

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic one. I ask that Greens t-shirts are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda

Happy to chat further

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training.

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda **S 47(9)** Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

S 47(9) and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let **S 47(9)** and I know!

I'll keep you updated

Many thanks

Dear **S 47(9)**

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST - attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) - our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Thanks once again

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- **S 47(9)** cced in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal

Is the school able to allow us ongoing use of school barbecue and gas pls?
• Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?
Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear Richenda and team

I hope you are all well and staying warm!

Richenda, the Greens team is collecting and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda § 47(3) Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names) Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work Let me know if you would be ok with this?

§ 47(3) and I will be handling logistics and hope to source bread and other items locally, and low and no cost The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project But still very useful to know the tuckshop supplies can be purchased if we are ever caught short

Jolene and Mary-Anne were there ways you wanted to get involved? Let § 47(3) and I know!

I'll keep you updated

Dear § 47(3)

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST - attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able use to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) - our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Thanks once again

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- § 47(3) cc'd in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal.
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear Richenda

I was merely referring to the "Greens Breakfasts" to distinguish them from the other potential P&C activities I mentioned in the same email.

As far as I know, no rules you set out were broken, and there certainly wasn't any rule to forbid referring to the breakfasts as "Green breakfasts" in a private email.

And let's not forget that they are still being run almost exclusively by Greens volunteers, so even though we refrain from using the term in all public settings as you requested, its use in a private email should be acceptable and legitimate.

That being said, cancelling the breakfasts a second time, and using such a weak excuse, only reflects poorly on your interest and commitment to the stated mission to "provide breakfast to students in a safe, respectful, and welcoming environment".

Sincerely,

Hi Richenda

I hope all is well with you and the school!

I wanted to update that Greens breakfasts on Tuesday are going well - we are improving the nutritional value of the meals using whole meal bread and high quality cheese (larger portions, more protein). The consumer feedback on the change was positive!

With my P&C hat on, s 47(3)(b) - Contrary to Public Interest has asked me to look into other school meal programs, partnerships with charitable groups to do breakfasts more days of the week and potentially get other resources for families who need them. I've left inquiries with Tukka, Foodbank, Ozharvest so far. The goal would remain to provide food without shame or stigma.

Can I ask, when you were looking into sustainability of the Greens breakfasts were you able to find partners/finding/volunteer groups we could leverage as P&C? Can you recommend schools I can talk to about successful breakfasts programs that are more than weekly? Do you have an estimate of how many children are most at risk of food insecurity and how to most effectively reach out to them?

Can you direct me to info about the current Ed Qld policy re food insecurity. I understand the Miles govt was providing ? funding for schools in need - is this still on play and is WHSC eligible?

Long email. Lots of questions!

Thank you for your help!! I'll be collating info and presenting it to the P&C group and school before any next steps.

Many thanks

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped

I have today been made aware that the breakfast program here is being used as a political platform

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party.

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic one. I ask that Greens t-shirts are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further.

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- s 47/6 proceed in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pit?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear Richenda

Yes, let's discuss I certainly don't want to compromise the school. Do you have time free between 8 and 12pm tomorrow to speak over the phone?

I can call you or my number is **§ 47(3)(b)**

Many thanks

I have today been made aware that the breakfast program here is being used as a political platform

This has of course place both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

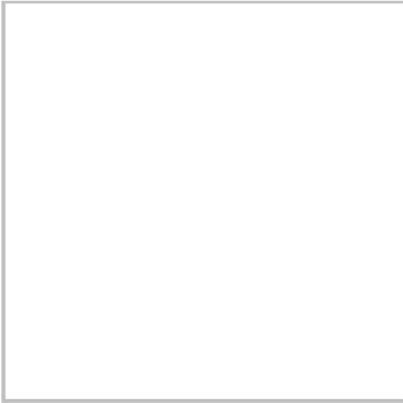

Happy to chat further

Dear Richenda and team

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re 'vote 1' or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda § 47(3) Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

§ 47(3) and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let § 47(3) and I know!

I'll keep you updated

Many thanks

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST – attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (ie purchase bread, baked beans etc through the school canteen) – our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- § 47 need in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal
- Is the school able to allow us ongoing use of school barbecue and gas pit?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- § 47 cc'd in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal.
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Dear § 47(3)

Thank you for your ongoing support and understanding whilst we have been working through aspects of the Tuesday breakfast program

As I am sure you will appreciate, I had sought to clarify matters re: engagement for all volunteers and have the following:

WHISC Breakfast Program - Volunteer Protocols

We value the contribution of our volunteers to the School Breakfast Program, which exists solely to support the wellbeing of our students by providing them with a nutritious start to the day. To ensure the program remains focused, inclusive, and in line with our school's values, all volunteers are expected to follow the protocols below:

Purpose

- The sole purpose of the School Breakfast Program is to provide breakfast to students in a safe, respectful, and welcoming environment

Volunteer Conduct and Guidelines

- 1 No promotions or endorsements:
 - Volunteers must not promote or advertise any businesses, companies, political parties, religious affiliations or personal agendas
 - This includes the wearing of clothing with any logos/logos, signage, or flyers
- 2 No unauthorised photography or social media posts:
 - Photographs or videos taken at breakfast programs must not be posted to any social media without prior approval from a member of the school leadership team
 - This protects the privacy and dignity of our students and our college reputation
- 3 Volunteer requirements:
 - All volunteers must:
 - Hold a valid Blue Card and have this sighted and checked by administration on arrival
 - Have completed MAST (Mandatory All Staff Training)
 - Sign in at the main office upon arrival each time they are on site

Commitment to Students

- The focus must remain on creating a positive and supportive space for students to begin their day with nourishment and connection

Importantly, we thank all volunteers for upholding these protocols and helping us maintain a respectful and student-centred program

If your team of volunteers are still able, we would be welcoming of the recommencement from Tuesday 26 August (week 7 term 3)

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped

I have today been made aware that the breakfast program here is being used as a political platform

This has of course placed both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further

Dear [Redacted]

I am wondering if we can have a chat re: the way in which the breakfast program is being shaped.

I have today been made aware that the breakfast program here is being used as a political platform.

This has of course place both myself and our college in an untenable position. We are not to be seen to be advocating for a person or a party.

I now ask that volunteers, whilst volunteering as WHSC, do not outwardly align themselves with any political party, and that any images taken on site are not used for any other purpose other than school based. In addition, I have misunderstood the t-shirt request to be a generic tee. I ask that Greens tees are not worn from this point on.

Again, I truly appreciate the chance to continue with the program and very much value the contribution of volunteers, however we cannot be part of a political agenda.

Happy to chat further.

Kind regards,

Richenda

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear generic Greens t-shirts pls? These will not have any printing re "vote 1" or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda, [REDACTED] Jolene and Mary-Anne

To update, this week local Greens volunteers are engaged to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media posts (eg outside of the school) via Greenslopes Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with that?

[REDACTED] and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be purchased if we ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let [REDACTED] and I know!

I'll keep you updated

Many thanks

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST – attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to use to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) – our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Thanks once again

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- [REDACTED] cced in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal.
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Dear Richenda and team

I hope you are all well and staying warm!

Richenda, the Greens team is coalescing and I'll get the names and Blue card details of the volunteers. They are doing MAST training

Can I please follow up on our request to wear green t-shirts pls? These will not have any printing re "vote 1" or the names of any individuals. Also would you be okay if I invite Max Chandler Mather to join one of the first Brekkies pls?

Please let me know if you are ok with this?

Many thanks

Dear Richenda, [Redacted] Jolene and Mary-Anne

To update, this week local Greens volunteers are energised to be involved in Brekkies again. I will be organising them and sending through their Blue card details and MAST training hopefully shortly!

I want to ask, Richenda, if it would be ok if the team came in Greens T-shirts (just generic ones rather than with people's names). Also we were hoping to do social media reels (eg outside of the school) via Greens/ops Greens branch, on special occasions to promote this school community + Greens effort. I was hoping to invite Max Chandler-Mather (if available) to visit a breakfast this year, as thanks for initiating this work. Let me know if you would be ok with this?

[Redacted] and I will be handling logistics and hope to source bread and other items locally, and low and no cost. The Greens membership is still available at Foodbank so I will be able to collect bread and often fruit weekly for the project. But still very useful to know the tuckshop supplies can be sourced if we are ever caught short.

Jolene and Mary-Anne were there ways you wanted to get involved? Let [Redacted] and I know!

I'll keep you updated

Many thanks

Dear [Redacted]

Thank you very much for your email

We would be thrilled for the Tuesday breakfast program to continue!

We can definitely have the BBQ available for use each Tuesday morning. We will need copies of all Blue Cards for each volunteer and each volunteer would need to undertake the self-paced Department of Education Mandatory training (MAST - attached)

I've cc'd our Business Manager, Jolene Dargie and our Head of Department - Student Services Mary-Anne Hollands in on this correspondence as they are both keenly interested in continuing with the program as well

Jolene and I have recently spoken, the school has some funds that we may be able to contribute to the food (i.e. purchase bread, baked beans etc. through the school canteen) - our biggest difficulty is sourcing the volunteers

Happy to continue the conversation

Thanks once again

Kind regards,

Richenda

Dear Richenda,

How are you? I hope all is well

I wanted to update you re a plan to continue free WHSC breakfast program, and request your input:

- [Redacted] co-ed in here, and I have been discussing the program would love to see this continue, and are aware that kids are already missing Tuesday morning brekkies
- We, together with local small business, plan to fund the program and continue it in the current form beginning Term 3, for a minimum of 1 year. The goal would be to continue the program beyond this, however this is our initial proposal.
- Is the school able to allow us ongoing use of school barbecue and gas pls?
- Will the school need names and blue card details of volunteers who will come on site for the breakfast program? Are there any issues we need to address that I have overlooked?

Let us know what you think of this proposal - we would love to see it happen! I'm very happy to discuss further if there are issues

Yours sincerely,

Dear Ms. Coffey,

Your Assistance to Continue the Whites Hill State College Free School Breakfast Program

You will be aware that the Tuesday morning Free School Breakfast Program, previously funded and delivered by Max Chandler-Mather, former Federal MP for Griffith, came to a close on 13 May 2025. We were saddened by its conclusion, and the children in our school community are already feeling the absence of this important service.

At Whites Hill State College, we take great pride in our school and in the potential of every child. The Breakfast Program has been more than just a nourishing universal meal, it has been a social equalizer, and for some students, the only meal they receive before a full day of learning. We believe the means-tested model introduced by the State Government does not adequately serve our community due to the stigma and shame it can create.

With hope and commitment to the future of our children, we are reaching out to ask for your assistance in reinstating the program in its previous inclusive format, or to discuss other ideas and solutions for school-based meal initiatives.

We would greatly appreciate the opportunity to meet with you in person to explore how you and your teams might be able to support or partner with us on this important work.

Thank you for considering our request. This letter has been prepared on behalf of the Whites Hill State College Parents & Citizens Association and reflects the views of our broader school community. It was circulated to Members following the General Meeting held on 4 June 2025 and formally endorsed thereafter.
