Total Active Enrolments as at 17/04/2013	811

Information to Consider:

This data shows what the school has entered in OneSchool for the question on Religion on the enrolment form.

Religion identified in the previous School Management System was not migrated into OneSchool as there was no centralised list of Religions (just a free text box).

Ferny Grove State School migrated from the old SMS system to OneSchool in July 2011.

If parents leave the religion question blank the school should select "No Religion nominated (e.g. Atheism; Humanism; section left blank etc.)". However if the school does not do this it will be shown in the section "No Religion Recorded in OneSchool"
