Principal to complete this section only when/if updating information

- I spoke to the Police (in my home) last night at around 7pm ish and was provided advice on what to do – I emailed this to staff last night.
- Last night I also left a message for cleaners and Grounds/Janitor to be vigilant this morning and report anything to the Police immediately.
- This morning at 6.30am we searched every room in the school and the entire grounds – found nothing suspicious
- I again emailed staff to advise of this and to give further instructions – I will attach all of my emails.
- SBPO arrived to work and I ask her to rove through the school today.
- 2 Police Officer from Redcliffe Police came to the school at about 8.15am and we discussed the issue. They provided more advice, which we emailed to staff again.
- We put an announcement over the intercom for all staff to check their emails from me.
- One of the Office ladies will be monitoring the CCTV cameras today
- LE HOD is monitoring the CCTV footage from yesterday to see if we can ascertain a likely suspect.
- Boundary Gates locked as per normal.

Email sent to all staff and Mary Coverdale at 9.03pm Thursday 14 April, 2016.

Good evening folks,

Late this afternoon we were alerted to a bomb threat which was written on a toilet in K Block boys toilet.

I contacted the police and they visited me at home tonight and provided the following advice:

- school as normal but be vigilant and immediately report any concerns to the Police.
- do a check first thing in the morning - this will be carried out by cleaners first up (a message has been left on the cleaners answering machine), then Rob and Danny (Rob has been texted) followed by Sharon Chapman and I (the girls).
- I have asked Barb Wolleswinkel (SBPO) to be on the premises today - Police who came to my house last night indicated that they would email Barb (plus I texted) to ask that she be in attendance all day.
- We will also be vigilant during the day - I ask your assistance in this, we (Karen Merrick/Admin staff) will also be monitoring CCTV during the day.

The police will report this to the CPIU and the Senior Sergeant first thing in the morning (Friday 15 April).

Please do not share this information with students or external bodies - any concerns need to go through the Police and Admin immediately.

Police say, take this threat seriously, even though it is most likely a prank we must ensure that all safety measures are put in place. Please report anything suspicious immediately.

Principal

Email sent to all staff – Friday 15 April, 2016 – 7.53am

Good morning everyone,

As you would be aware we found a message in the K Block Boy's toilets yesterday afternoon. It was a bomb threat, we responded immediately in addressing this with both Police and DET. We have followed advice given and even though this is a threat, we urge you to go about life as normal.

Sharon, Rory, Tristan, Mick, Rob and I have searched the entire grounds and every room in the school already today. We thankfully couldn't find any suspicious objects.

I ask that you are vigilant today, that you do not let students out of class and that you do not discuss this with students.

Constable Barb is in today and will be roaming the school, but if you see anything suspicious please immediately call the Police and then the Office. On this note it would be good if you could carry your mobile phones with you today in case of emergency.

Also, if teachers let any male students out of class Per 4 yesterday afternoon, please let Tristan know asap.

An update...

Sharon and I just met with the Police. A couple more things:

- Yes, take your mobile phone with you BUT if you find a suspicious package etc. step away from the device before using your mobile phone – remove yourself and students from the area first.
- Also if you have noticed any distinct personality changes in students or others either withdrawing or being more strident in political / social justice issues – please report to Shona.
- Next. Please ensure you are familiar with the Evacuation/Lockdown procedures:
<https://team.oneportal.deta.qld.gov.au/sites/redcliffeshs/Shared%20Documents/Forms/AllItems.aspx?RootFolder=%2fsites%2fredcliffeshs%2fShared%20Documents%2fEmergency%20Response%20Plan&FolderCTID=%7b865E6D3B%2dD7EB%2d46FC%2d995E%2d42D6790D652A%7d>

Bottom line – normal activities, be vigilant and do not tell students.
