The Mornington Shire Council, together with the Queensland Government, would like to hear what you think about plans for Mornington Island State School

Discrete Communities Infrastructure program

Improving schools for Aboriginal and Torres Strait Islander communities.

The Discrete Communities Infrastructure (DCI) program is a Queensland Government program which provides funding to better plan, improve and build educational buildings and spaces by co-designing them with Aboriginal and Torres Strait Islander communities.

The Mornington Island DCI co-design program

For the past 12 months, the Mornington Shire Council members and key school community members have been working with the DCI team to co-design a master plan and identify key projects for Mornington Island State School.

Next steps:

- **Seek community feedback on:**
  - The master plan.
  - A list of prioritised projects, categorised into Stage 1, Stage 2 and Stage 3 potential projects.
