The Northern Peninsula Area Regional Council, together with the Queensland Government, would like to hear what you think about plans for Northern Peninsula Area State College – Bamaga senior campus

Discrete Communities Infrastructure program

Improving schools for Aboriginal and Torres Strait Islander communities.

The Discrete Communities Infrastructure (DCI) program is a Queensland Government program which provides funding to better plan, improve and build educational buildings and spaces by co-designing them with Aboriginal and Torres Strait Islander communities.

The Bamaga DCI co-design program

For the past 12 months, the Northern Peninsula Area Regional Council members and key school community members have been working with the DCI team to co-design a master plan and identify key projects for Northern Peninsula Area State College – Bamaga senior campus.

Next steps:

- **Seek community feedback on:**
 - The master plan.
 - A list of prioritised projects, categorised into short-term, medium-term and long-term potential projects.
